**Farnborough's new Leisure, Library and Cultural Hub –**  
**SHARE YOUR VIEWS**

Dear Resident

You will no doubt be aware of the news that Rushmoor Borough Council has secured £20 million of Government investment towards a new Leisure, Library and Cultural Hub.

This new hub will form an integral part of the Council's ambitious wider regeneration plans for Farnborough to create a new unified 'Civic Quarter' to transform the town and create a new community heart at its centre. Their masterplan for the site was approved last month and is set to be a vibrant mixed-use space providing new opportunities for town centre living alongside cafés and restaurants, skate park, playground, and central park.

As detailed plans are drawn up for the Leisure, Library and Cultural Hub, I want to hear what you would like to see at the new community heart for the town centre.

A variety of state-of-the-art facilities are being considered to improve the health and happiness of the whole community through more opportunities for physical and cultural activities, such as a large sports hall, swimming pool, bowling alley, fitness and spin studios, soft play, library area, gallery space, and a few multi-purpose community rooms.

**Whilst we await the Council's initial plans, I want to hear your views. Share what you would like to see included in Farnborough's new Leisure, Library and Cultural Hub.**

This feedback will then be passed on to the Council so they can ensure their plans for the Hub meet your and your family's needs in the years to come. You can share your ideas by writing to me at 6 Union Street, Aldershot, GU11 1EG, or online at:
