Aldershot Garrison Service Family Accommodation survey – SHARE YOUR VIEWS

Dear Resident

As your Member of Parliament and a former soldier, I am aware of the central importance of Service Family Accommodation (SFA) to Army family life.

You may have seen the recently announced changes by the Defence Secretary to the New Accommodation Offer. As your MP, I would like to know your views on this matter – please do let me know what you think.

Despite investment by the Defence Infrastructure Organisation in the last year to address imperfections in some properties, I know some problems persist. I am aware that while most Service Family Accommodation is of a good standard, this is not universally the case.

Internet access is also an important component of modern life and fibre broadband has now been rolled out across the Garrison. As your MP, I would also like to hear your views on this aspect of your housing.

I want to hear from you as a resident of the Garrison regarding your experience of the standard of the property you have been allocated, and whether there are any outstanding issues.

I am running a survey and I will share the results with the MOD in order to help drive improvements in the standard of SFA and the quality of family life across the Garrison.

Please do share your experiences by writing to me at 6 Union Street, Aldershot, GU11 1EG, or online at:

With very best wishes
